

**Boil Water Notice Rescinded  
November 2, 2018**

On October 31, 2018 the Texas Commission on Environmental Quality required the City of Lames public water system, PWS# 0580001 to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of November 2, 2018.

If you have questions concerning this matter, you may contact Dioncio Garza Jr, at 806-332-9036 or 806-872-4327 or at 302 South Austin.
